## Retirement in Portugal

I moved to Lisbon in September 2014.

I assist now also Swedes who are moving to Portugal which he operates, through his company in Portugal.

## Work experience

I have extensive experience auditing privately held companies and publicly owned companies, listed companies and auditing groups.

I have specialized expertise in the energy and real estate.

I have been hired by municipalities in connection with business analysis of the municipal heating plant and property.

I have specialized in insolvency issues and also hired bankruptcy lawyers as a sounding board in various matters.

I have been appointed by the Growth Board to be the controller of investments in northern Sweden, including for Facebook's investment, which amounted to SEK 3.2 billion.

Within the PWC, I have been Partner, Authorized Public Accountant and office manager and have for several years been PWC, s quality manager in the audit issues, accounting issues and independent issues in northern Sweden.

## Examples of consulting

Business Analysis for municipal energy and real estate.

Consultation in forming municipal company law groups.

Contributed to sales teams for sales of municipal and private property.

After moving to Portugal I'm hired by PWC and directly by the companies for various consulting assignments.
